

Il y a un proverbe qui dit que « **UNE IMAGE VAUT 1,000 MOTS** »

A proverb says that « **AN IMAGE IS WORTH 1,000 WORDS** »

Le dossier NIKA/MAHSA est devenu «**580** »

The former NIKA/MAHSA file is now « **580** »

Nika - Mahsa - **Mercedeh (oeil en sang)** et **577** de plus.

Nika - Mahsa - **Mercedeh (bloody eye)** and **577** more.

As IranWire has reported, hundreds of Iranians have sustained severe eye injuries after being hit by pellets, tear gas canisters, paintball bullets or other projectiles used by security forces amid a bloody crackdown on mainly peaceful demonstrations. Doctors say that, as of now, at least **580 protesters have lost one or both eyes** in Tehran and in Kurdistan alone.
